&rdquo;Do not believe in anything  
simply because you have heard it.

Do not believe in traditions  
simply because they have been handed  
down for many generations.

Do not believe in anything  
simply because it is spoken and rumored by many.

Do not believe in anything  
simply because it is found written in your  
religious books.

Do not believe in anything  
merely on the authority of your teachers

and elders.

But when, after observation and analysis,  
you find anything that agrees with reason,  
and is conducive to the good and benefit  
of one and all,  
then accept it and live up to it.
